

Heritage at the Bluecoat

Can you help us to expand the archive at the Bluecoat?

The Bluecoat is the oldest building in the city centre. Join us in celebrating its rich heritage and add your own insight to the organisation's history by sharing your artefact or story with us.

As we look ahead to 2017 and the 300th anniversary of the Bluecoat, we are taking a moment to reflect on years passed, and ask you to share with us any artefacts, memorabilia, photographs or indeed personal stories that you have of the Bluecoat.

Please list and describe details of any artefacts, memories or knowledge you may have relating to the Bluecoat's history here:

Please include your details at the bottom of this page so we can contact you to discuss your items or memories further. We may even ask to borrow them to add to our archives.
