Something Old

Make memories to last a life time in a space that's seen a hundred

Begin your life together in a landmark heritage building. Bluecoat is a unique venue where you can celebrate with your loved ones in elegant Queen Anne surroundings.

Bluecoat is Liverpool's centre for the contemporary arts, situated in the heart of the city in Liverpool's oldest building. Built in 1717 Bluecoat is a Grade One listed building and part of the UNESCO World Heritage site.

Bluecoat presents the perfect mix of historic beauty and heritage features with a bold contemporary twist. We pride ourselves on creating the perfect day for you and your guests.

Something New

Contemporary Design and Modern Edge

Bluecoat's renovation programme introduced innovative design to complement its historic features, adding a bold contemporary twist to many of the interior spaces.

As a contemporary arts centre, being creative is what we do best. We want to help ensure that your wedding reflects your unique relationship and creates memories to last a lifetime.

Bluecoat is also home to a community of artists, creative businesses and independent retailers who make, and often sell, their work onsite. Many of them can offer a range of additional services to add a new dimension to your special day.

These are listed in our recommended suppliers list on page 16.

Bluecoat is a registered charity (number 700862). All proceeds from private events contribute directly to our charitable aims, so choosing Bluecoat for your wedding helps to maintain this beautiful building and our programme of arts activities for the enjoyment of all.

The Spaces

The Sandon Room, Garden Room & Courtyard

Bluecoat's most popular space for wedding ceremonies.

Located off the garden with original windows and French doors, the light, airy spaces are available for hire individually or together and can also play host to an intimate wedding breakfast and evening celebrations.

The Sandon and Garden Rooms lead out onto our secret Courtyard, where you and your guests can gather for drinks.

The Sandon Room offers a fresh and intimate atmosphere for wedding ceremonies for up to 60 guests. Walk down the iconic red carpet, with floor to ceiling Georgian windows behind you. A grand piano makes an impact in the room, adding a touch of classic romance to your day.

The Garden room overlooks the main Bluecoat gardens and offers seating for up to 60 guests for a ceremony.

The Bistro

At the heart of Bluecoat is the Bistro, where high ceilings and historic features are complimented by contemporary design twists. Its beautiful double height windows look out over the front courtyard and luscious garden creating an impressive setting.

The Bistro is the most popular of all our spaces for wedding celebrations. Relax with drinks at the bar, then take a seat at the top table to enjoy a delicious meal with your family and friends. Then let the dancing begin!
