

SANDON STUDIOS,

Old Bluecoat Hospital,

L i v e r p o o l,

March, 1908.

Dear Sir (or Madam),

The Members of the Sandon Studios have recently enrolled, as "Artist Members", a number of local artists, with a view to forming a Society for the purpose of holding two exhibitions a year under the title of the "Sandon Society of Artists".

These exhibitions will not be large, owing to the high standard which it is hoped to maintain, but they will be of an important and rather distinctive character.

I am desired by the Committee to invite you to become a Member. The Subscription is £2. 2. 0, which entitles Members to send to both exhibitions, also to the use of the Life Class at the Sandon Studios, where a Model sits three evenings a week, (for ladies three half-days).

The subscription for Members not resident or working within 10 miles of Liverpool is £1. 1. 0.

The next exhibition will be held during May 1908, at the Bluecoat Hospital, Liverpool. Only Members (which includes Hon. Members of the Studios) may exhibit, but the Committee has decided to invite, from time to time, work by distinguished artists living or dead, especially those whose work is little known in the North of England.

Among the present Members are:-

Robert Anning Bell, R.W.S.
Augustus John
David Muirhead
Richd. Ll. B. Rathbone
Prof. Fred Brown
George Frampton, R.A.
John Lavery, R.S.A.
Charles Mackintosh
P. Wilson Steer

Henry Tonks
J. Hamilton Hay
W. Alison Martin
H. Royle
H. Carr
G. W. Harris
J. H. MacNair

Miss Enid Jackson

I remain,

Your obedient Servant

HAMEL LISTER.

Hon. Sec. & Treasurer.
