Genesis (Epstein)

Dear Sir:

I am much obliged for your letter
of 6th & for the particulars you have
given me. I shall be very glad
to have a print of any photographs
of the Genesis that may be taken
through your Society.

I have pre-engaged the services of
expert movers of heavy objects with from
~~the~~ two of the Cambridge Museums,
together with a ~~large~~ trolley from
the Fitzwilliam Museum. Also several
extremely large & strong athletes. But

I should be very glad of any advice
you could give me as to how you
got her into position.

I gather that her case will travel
with the Genesis, but if I am wrong
in this supposition, I should be very
glad to know as soon as possible.

It is good of you to acquiesce in my
suggestion that Genesis leaves Liverpool
as early as possible on the evening

of next Sat., 13th. I imagine
she is likely to arrive at my house
somewhere about 10 a.m. on
Sunday morning, 14th, but I will
write to the carrier, whose name
& address you have sent me.

I hope to see G. A. C. Bosson
in London tonight or tomorrow,
after which I shall write to you about
the Insurance. Certainly, the Genesis
should be sent "Carriage Forward." I
shall send a map of Cambridge & the

advice & circumstances of the Exhibition
has this fact been filed in Parker

notice of the Cambridge
carriers, & also inform the Cambridge
